

Welcome to BSTA 512/612!

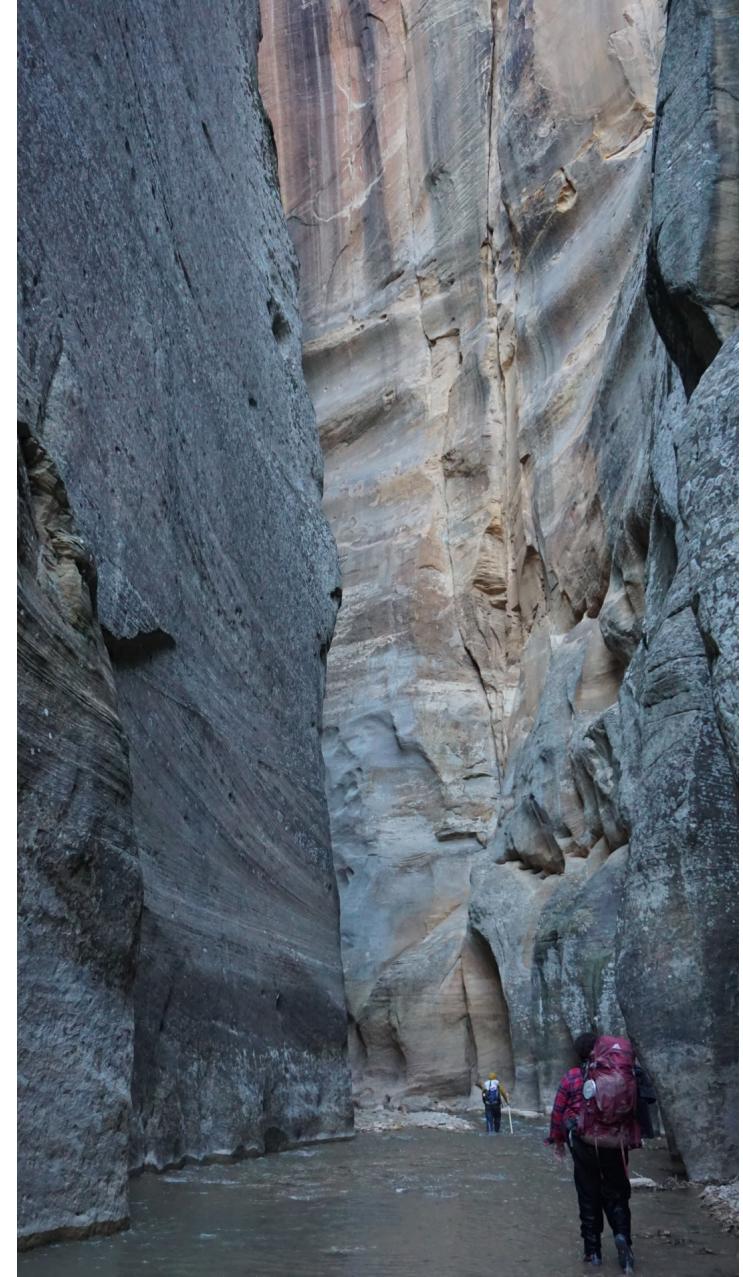

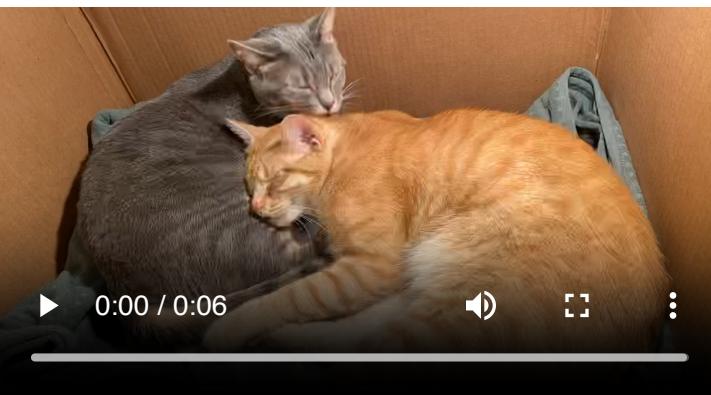

Nicky Wakim

2023-01-08

Nicky Wakim (she/her)

- Call me “Nicky,” “Dr. W,” “Professor Wakim,” or any combo!
- Assistant Professor of Biostatistics
- Originally from DC area (Virginia side!)
- Two kitties
- *Volleyball, biking, pickleball*
- But also sleeping, TV, and reading
- Just started taking a couple classes at PCC (~~French~~, ceramics, ~~yoga~~)
- Slowly regrowing my plant collection after moving from Michigan

Pride yourself in learning things, not knowing things

Some important tasks

- Join the Slack page!
- Star the class website: https://nwakim.github.io/W2024_BSTA_512/
- Complete the **WhenIsGood** for office hours
- Complete Homework 0 by this Thursday at 11pm!
- Highly suggest that you make an appointment with a learning specialist through **Student Academic Support Services**!

Let's visit the website

- Homepage
 - GitHub
- Syllabus
- Schedule
 - Weeks, class info, quizzes, homeworks, projects
- Search

Important Note

This is my first time teaching the course. I will work hard to answer your questions in class, but I will often need some time outside of class to make sure I give you the best answer possible! Also, many of the examples are not my own. I will work to improve examples, but if you have feedback or suggestions, I am happy to hear them!

Let's go through the syllabus!
