Lab 3 Work

BSTA 512/612

2024-02-29

1. Please restate your research question below using the following format. It's repetitive, but it helps me contextualize my feedback as I look through your lab.

How is implicit anti-fat bias, as measured by the IAT score, associated with ?

5. Make a Table 1

bivariate data exploration multivariate data exploration

exploring the multi-level variables!!
